**OHIO'S NEW BOOSTER
SEAT LAW:**

Ohio's new booster seat law requires federally approved booster seats for children ages 4 to 8-years-old and who are under 4 feet, 9 inches in height. This law bridges the gap for children who have outgrown their forward-facing harness seat, usually around 4-years-old and 40 pounds, and an age and size where they fit into an adult seat belt.

Fire Safety

In June, Sheriff Gene A. Kelly's Community Services Division will conduct the Safety Village program in two (2) Clark County areas. Safety Village is a basic safety educational program for Clark County children **entering** kindergarten and First Grade (4 to 6 Years old).

Safety lessons include pedestrian, motorist, fire, street & safety signs, pet safety, home safety, 9-1-1, school bus safety, child personal safety, D.A.R.E. concepts, drugs and poisons. These safety awareness lessons are conducted over a 4 day period of two and one-half (2 1/2) hours per day. A graduation ceremony will be held on the last day of the program.

The Safety Village message is simple - "To Keep Themselves Safe." The children will role-play and experience situations so they can make the right, safe decision when confronted with real life dangerous situations.

The Safety Village program is co-sponsored by the Clark County Schools, the Springfield Pilot Club, and the Clark County Sheriff's Office.

If you need additional information or have any questions, please contact the Clark County Sheriff's Office, Community Services Division, at (937) 521-2100
