Special Permit for Clark County

Please Print

Applicant Name _____

Address _____

City, State, and Zip _____

Telephone _____

TYPE OF WORK TO BE DONE:

The above stated intentions shall be carried out in accordance with regulations, specifications and requirements of the County Engineer and any approved plans or drawings filed in conjunction with this application.

If permit is granted, I/We agree to the following conditions:

1. That traffic will be maintained at all times, unless permission is granted by the County Engineer to close the road.
2. That lights, signs, barricades and if necessary flagmen and watchmen will be placed on the job for the protection of traffic at all times, day and night, during the time this work is being done and that instructions given by the County Engineer's Department, as to handling of traffic, will be in full compliance.
3. That, I/we assume the responsibility for and will save the County harmless from any and all claims for personal injuries and property damages and shall defend any action that might be brought due to this work. To cover this responsibility, I/we have the insurance which is in force now and will remain in force during the prosecution of this work.

Signature: _____ Date: _____

Notify the Clark County Engineer before starting this job. (937) 521-1800

Permit to do this work under the conditions stated in the above application is hereby granted.
