Resolution 2019-0700
COMO file

Authorize All Action Necessary to Effect a Governmental Electricity Aggregation Program with Opt-Out Provisions Pursuant to Section 4928.20 of the Ohio Revised Code and Directing the Clark County Board of Elections to Submit a Ballot Question to the Electors

Commissioner ____ moved to approve the following:

Whereas, the Ohio Legislature has enacted electric deregulation legislation which authorizes the legislative authorities of municipal corporations, townships and counties to aggregate the retail electrical loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity; and,

Whereas, such legislative authorities may exercise such authority jointly with any other legislative authorities; and,

Whereas, governmental aggregation provides an opportunity for residential and small business customers collectively to participate in the potential benefits of electricity deregulation through lower electric rates which they would not otherwise be able to have individually; and,

Whereas, this Board seeks to establish a governmental aggregation program with opt-out provisions pursuant to Section 4928.20, Ohio Revised Code (the “Aggregation Program”), for the residents, businesses and other electric consumers in the unincorporated areas of Clark County and in conjunction with any other municipal corporation, township, county or other political subdivision of the State of Ohio, as permitted by law.

Now, therefore, be it resolved by the Board of County Commissioners of Clark County, Ohio, that:

Section 1: This Board finds and determines that it is in the best interest of Clark County, its residents, businesses and other electric consumers located within the unincorporated areas of the County to establish the Aggregation Program in Clark County. Provided that this Resolution and the Aggregation Program is approved by the electors of the unincorporated areas of the County pursuant to Section 2 of this Resolution, the County is hereby authorized to aggregate in accordance with Section 4928.20, Ohio Revised Code, the retail electrical loads located within the unincorporated areas of the County and, for that purpose, to enter into service agreements to facilitate for those loads the sale and purchase of electricity. The County may exercise such authority jointly with any other municipal corporation, township or county or other political subdivision of the State of Ohio to the full extent permitted by law. The aggregation will occur automatically for each person owning, occupying, controlling, or using an electric load center proposed to be aggregated and will provide for the opt-out rights described in Section 3 of this Resolution.

Section 2: The Board of Elections of Clark County is hereby directed to submit the following question to the electors of the unincorporated areas of the County at the primary election on March 17, 2020;

“Shall Clark County have the authority to aggregate the retail electric loads located in the unincorporated areas of the County, and for that purpose, enter into service agreements to facilitate for those loads the sale and purchase of electricity, such aggregation to occur automatically except where any person elects to opt-out?”

The Clerk of this Board is instructed immediately to file a certified copy of this Resolution and the proposed form of the ballot question with the Clark County Board of Elections not less than seventy-five (75) days prior to March 17, 2020. The Aggregation Program shall not take effect unless approved by a majority of the electors voting upon this Resolution and the Aggregation Program provided for herein at the election held pursuant to this Section 2 and Section 4928.20, Ohio Revised Code.

Section 3: Upon the approval of a majority of the electors voting at the election provided for in Section 2 of this resolution, this Board individually or jointly with any other political subdivision, shall develop a plan of operation and governance for the Aggregation Program. Before adopting such plan, this Board shall hold at least two public hearings on the plan. Before the first hearing, notice of the hearings shall be published once a week for two consecutive weeks in a newspaper of general circulation in the County. The notice shall summarize the plan and state the date, time, and location of each hearing. No plan adopted by this Board shall aggregate the electrical load of any electric load center within the unincorporated areas of the County unless the plan in advance clearly discloses to the person owning, occupying, controlling, or using the load center that the person will be enrolled automatically in the Aggregation Program and will remain so enrolled unless the person affirmatively elects by a stated procedure not to be so enrolled. The disclosure shall state prominently the rates, charges, and other terms and conditions of enrollment. The stated procedure shall allow any person enrolled in the Aggregation Program the opportunity to opt-out of the program every three years without paying a switching fee. Any such person who opts out of the Aggregation Program pursuant to the stated procedure shall default to the standard service offer provided under Section 4928.141, Section 4928.142, Section 4928.143, or division (D) of Section 4928.35 (or any other applicable statute), Ohio Revised Code, until the person chooses an alternative supplier.

Section 4: This Board finds and determines that all formal actions of this Board concerning and relating to the adoption of this Resolution were taken in an open meeting of this Board and that all deliberations of this Board that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 5: This resolution shall be in full force and effect from and immediately upon its adoption.

Commissioner ____ seconded the motion and the roll being called for its passage, the vote resulted as follows:

Commissioner McGlothlin, Commissioner Lohnes, Commissioner Wilt,

I, Megan Burr, Clerk to the Board of County Commissioners, do hereby certify that the above is a true and correct copy of a motion as recorded in the Journal of the Clark County Commissioners, under the date of November 13, 2019.
