Application for Utility Permit

Please Print

Applicant Name _____
Address _____
City, State, and Zip _____
Telephone _____
Authorized Signature _____ Date _____

APPLICATION IS HEREBY MADE FOR A PERMIT TO: _____

The above stated intentions shall be carried out in accordance with regulations, specifications and requirements of the County Engineer and any approved plans or drawings filed in conjunction with this application.

If the applied for permit is granted, the applicant or the applicant's contractor agrees to the following:

- 1. Secure a permit prior to commencement of the proposed work.
- 2. Furnish a cash deposit or surety bond in such an amount as deemed necessary by the Board.
- 3. Furnish proof of insurance coverage as well as a copy of Bureau of Workers' Compensation Certificate and save the Board harmless against any and all claims for damages arising from said proposed work.
- 4. Surrender the herein-applied permit and all rights there under upon notification by the Board.
- 5. Immediately move, alter, and relocate at the applicant's expense, the facility for which this permit is granted upon notification by the Board. Reimburse the Board for its cost in said removal, alteration, and/or relocation, if applicant fails to do as requested.

APPLICATION FILING INSTRUCTIONS:

Two (2) copies of the application together with two (2) copies of required plans or drawings and other applicable information must be filed with the Clark County Engineer.
