RESIDENTIAL ELECTRICAL PLAN SUBMITTAL FORM Part B

General Instructions

- The plan submittal form must be filled out completely.
- The application may be faxed or e-mailed to our office at anytime. Once the application is approved the staff will call the applicant indicating approval and total cost of permit. It is the applicant's responsibility to check periodically on the status of this application.
- All work shall conform to the 2014 National Electrical Code.

Submittal Requirements

1. Submit a one-line drawing complete from the point of service delivery from the utility, showing the size and type of all service conductors, grounding conductors, raceways, feeders and all panels and sub-panels.
2. Indicate the temperature rating of lugs if conductor size is based on ratings greater than 75°C.
3. Provide panel schedule if adding new circuits.
