

Reminder Millions of Americans who don't usually have to file a tax return can still use the **Non-Filers tool** to receive their **Economic Impact Payment**.

The free **Non-Filers tool** is designed for eligible people who aren't normally required to file a tax return. Usually, this means people with incomes:

- › Below \$24,400 for married couples
- › Below \$12,200 for singles

This includes couples and individuals who are homeless. People can qualify for a payment, even if they do not have earned income or work.

Usually, married couples qualify to receive a \$2,400 payment while others normally qualify to receive \$1,200. Eligible individuals will receive up to an additional \$500 for each qualifying child.

How do I use the **Non-Filers: Enter Payment Info tool**?

For those who are not required to file a tax return, the process is simple and only takes a few minutes.

- › First, visit **IRS.gov**, and click "**Non-Filers: Enter Payment Info Here.**"
- › Then provide basic information including Social Security number, name, address and qualifying children.
- › The IRS will use this information to confirm eligibility, calculate and send an Economic Impact Payment. No tax will be due as a result of receiving the payment.
- › Entering bank or financial account information will allow the IRS to quickly deposit the payment directly in a savings or checking account. Otherwise, the payment will be mailed.

Non-Filers: Enter Payment Info is secure, and the information entered will be safe. The tool is based on Free File Fillable Forms.

Do not use the Non-Filers tool if you have or plan to file a 2019 tax return, can be claimed as a dependent on someone else's 2019 tax return or received Railroad Retirement Board, Social Security retirement, disability (SSDI), Supplemental Security Income (SSI), or Veteran's benefits in 2019.
