What is the Great American Cleanup?

The Great American Cleanup is the nation's largest beautification program, involving millions of volunteers nationally and hundreds annually in Clark County.

Simply choose any public place you would like to clean up. We provide gloves, trash bags, free disposal, and a small thank-you gift.

Each year, Clark County's Great American Cleanup's volunteers give over 1,000 hours of their time and pick up 600-700 bags of litter from over 100 public spaces throughout the county.

Join us this year to make the Great American Cleanup even more successful and to keep Clark County clean and beautiful!
