

FAITH-COMMUNITY CRISIS RESPONSE TEAM

Hot meals and pantries serving our community

Revised October 2021

This booklet is designed to help individuals who need assistance with food and housing, and to help those in ministries or non-profits organizations who are seeking to assist them. It is designed as a quick reference to resources available in Clark County to assist those who are homeless and others who need assistance with food and shelter.

A more comprehensive guide to social services is maintained by United Way online at uwccmc.org or call 937-323-1400.

United Way also provides emergency assistance through their 211 number. You can dial 211 to reach this resource and you will receive help accessing a wide range of social services. In cases where you simply don't know how to help someone call 211.

This booklet is maintained by The Nehemiah Foundation of Springfield and Clark County as a service to our community. If you find information that is out of date, inaccurate, or missing, please call Nehemiah at 937-325-6226 or email Kelley Rogers. Kelley@nehemiahfoundation.org

Please refer to the following pages for complete details regarding locations, dates, times and specific requirements for receiving assistance.
